DEPARTMENT OF AGRICULTURE

From
Thiru. C.Rajendran, M.Sc.(Ag.)
Joint Director of Agriculture
Dharmapuri.

To
The District Collector
Dharmapuri

Lr.No.C2/ 9615 /2015 Dated 06.09.2016

Sir,

Sub: Adverse Weather Events – Dharmapuri District – North East Monsoon –
Action Taken – Report submitted – Reg.

Ref: Instruction of the District Collector issued during the Adverse Weather
Events review meeting.

&&&&&

In continuation of the instruction issued during the review meeting held earlier, I submit to report the action taken report as detailed below,

At District level, Officer In-Charge has been assigned duty on rotation basis to collect the information from the block, consolidation and reporting to the District Emergency Operation Centre in time bound manner.

At block level, Agricultural Officer of the concerned block is fixed responsibility to assess the situation prevailing during the North East Monsoon Season and collect the information from the five AAO under his control and consolidation and reporting to the District Head Office. The ADA of the concerned block is fixed over all responsibility to monitor the situation and ensure the time bound reporting to the District Head Office.

Further the ADAs have been requested to instruct the AAO under his control to keep vigilant and address the problems of the farmers if possible to dispose at his level and if not they should compile the situation in consultation with the Revenue Officials that should be put up to the ADA for consolidation and reporting to the District Head Office.

Sd/- C.Rajendran
Joint Director of Agriculture
Dharmapuri

DEPARTMENT OF AGRICULTURE

From

Thiru.C.Rajendran. M.Sc.,(Ag).,
Joint Director of Agriculture,
Dharmapuri – 636 705

To

All Assistant Director of Agriculture,
Dharmapuri District.

Lr. No. C4/ 2016. Dated : 27.09.2016

Sub Agriculture- Natural Calamities – Pre - Monsoon Preparedness - Ensuing North East Monsoon – Crop Contingent measures – Monsoon Floods & cyclone – Flood Monitoring Cell – opened at Joint Director of Agriculture Office – Officer responsible – communicating - regarding.

The North East Monsoon may likely to commence from 1st October 2016 onwards. In this regard you are instructed to make necessary precautionary arrangements to meet out the contingencies arising due to the ensuing North East Monsoon, by gearing up the field functionaries to meet the eventualities arising out of floods and cyclone and also to follow the crop contingent plan for Rabi formulated in consultation with the KVK, Pappalapatti wherever the situation warrants.

In this circumstances a flood monitoring cell is formed at Joint Director of Agriculture, and the Officers responsible for this work is enclosed herewith. In the same way you are also instructed to open the flood monitoring cell at Block level to monitoring the flood situation daily and to assess the crop damages if any should be reported to this office in the format enclosed.

The monitoring cell to be kept open from 8.00 a.m. to 8.00 p.m. on all days including Sunday on rotation basis. The Officers responsible at Block level should be reported to this office.

The format for reporting the crop damages is also enclosed herewith.

Enclosure: Format for reporting
